

## EARNINGS RELEASE - 4Q17

Conference call: 03/07/2018 at 10h00 (GMT)
1/A vulcabras Azaleia

This presentation contains statements that can represent expectations about future events or results. These statements are based on certain suppositions and analyses made by the company in accordance with its experience, with the economic environment and market conditions, and expected future developments, many of which are beyond the company's control. Important factors could lead to significant differences between real results and the statements on expectations about future events or results, including the company's business strategy, Brazilian and international economic conditions, technology, financial strategy, developments in the footwear industry, conditions of the financial market, and uncertainty on the company's future results from operations, plans, objectives, expectations and intentions - among other factors. In view of these aspects, the company's results could differ significantly from those indicated or implicit in any statements of expectations about future events or results.
