

## NOTICE TO THE MARKET

# QGEP is now Enauta

**Rio de Janeiro, March 18<sup>th</sup>, 2019**

QGEP Participações S.A. ("Company", B3: QGEP3) today announced its rebranding as **Enauta**.

The Company decided to rebrand to reflect on its existing strengths and achievements, which ensure the long-term sustainability and continued growth of its operations. The foresight to recognize new possibilities and the commitment to address them has been part of our history since the Company's inception.

As a leading independent player in Brazil's energy sector, **Enauta** brings with it a rich history of accomplishments, a large technical portfolio and technological know-how, as well as engagement in environmentally sound practices. Supported by the experience gained over the last 20 years, the Company continues to invest in state-of-the-art technology to explore, develop and produce oil and gas in the waters off Brazilian coastline.

Our new name is derived from the essence of our Company, which is rooted in our ability to identify, locate and develop energy sources to meet the needs of society. Our purpose continues to be to clear the path for energy. With this name change comes a new beginning. Today, as the spectrum of energy production is expanding and creating new opportunities, we are preparing ourselves for the future—as **Enauta**.

On March 12<sup>th</sup>, 2019, our Board of Directors approved a proposal to consider the name change at our Extraordinary General Meeting that will take place on April 18, 2019. The proposal calls for the Company's new name to be Enauta Participações S.A. The Company's wholly owned subsidiary Queiroz Galvão Exploração e Produção S.A. will also consider a name change to Enauta Energia S.A. at its next Extraordinary General Meeting, on April 17<sup>th</sup>, 2019. The Company's shareholder structure will remain the same.

The Company's shares will continue to trade under the ticker symbol QGEP3 until the name change is approved and until the request for a ticker symbol change has been approved by B3. More information on the symbol change will be forthcoming when available.
