¹ For 2019, traffic on the same days of the week was considered

² Includes toll collection up to March 24, inclusive

³ Excludes toll collection at Eco135 and Eco050

⁴ Considers toll collection as from April 1, 2019

⁵ For March and for 2019, the concessionaire's traffic prior to the acquisition of Ecorodovias was considered

Note: Equivalent paying vehicle is a basic unit of reference in toll collection statistics on the Brazilian market. Light vehicles, such as automobiles, correspond to an equivalent vehicle unit. Heavy vehicles such as trucks and buses are converted to equivalent vehicles by a multiplier applied to the number of axles per vehicle, as established in the terms of each concession agreement.

The Company continues to act proactively, in coordination with governments and regulatory authorities, to in the better way address the impact of the crisis on its employees, users and operations.

The Company reaffirms its commitment to its obligations as a publicly-held company listed on the Novo Mercado segment of the B3 stock exchange and will disclose all and any material information in accordance with applicable legislation.
