

Mapa das ESTRADAS DE FERRO do Brasil - 2017
Railroad Map of Brazil - 2017

Sumário

Table with 4 main sections: FERROESTE, FERROVIA TRANSNORDESTINA LOGISTICA, FERROVIA MALHA NORTE, and FERROVIA MALHA SUL. Each section contains production data for 2015 and 2016, including metrics like 'Produção de Produtos' and 'Produtos em Processamento'.

Table titled 'USINAS DE SOJA / SOY PLANTS' and 'USINAS SIDERURGICAS / STEEL PLANTS'. It lists various industrial facilities across Brazil, including company names, locations, and operational status.

Table titled 'FERROVIA NORTE-SUL', 'FTC', 'RUMO MALHA SUL', and 'RUMO MALHA NORTE'. It provides detailed production and operational statistics for these specific railway lines, including tonnage and volume data.

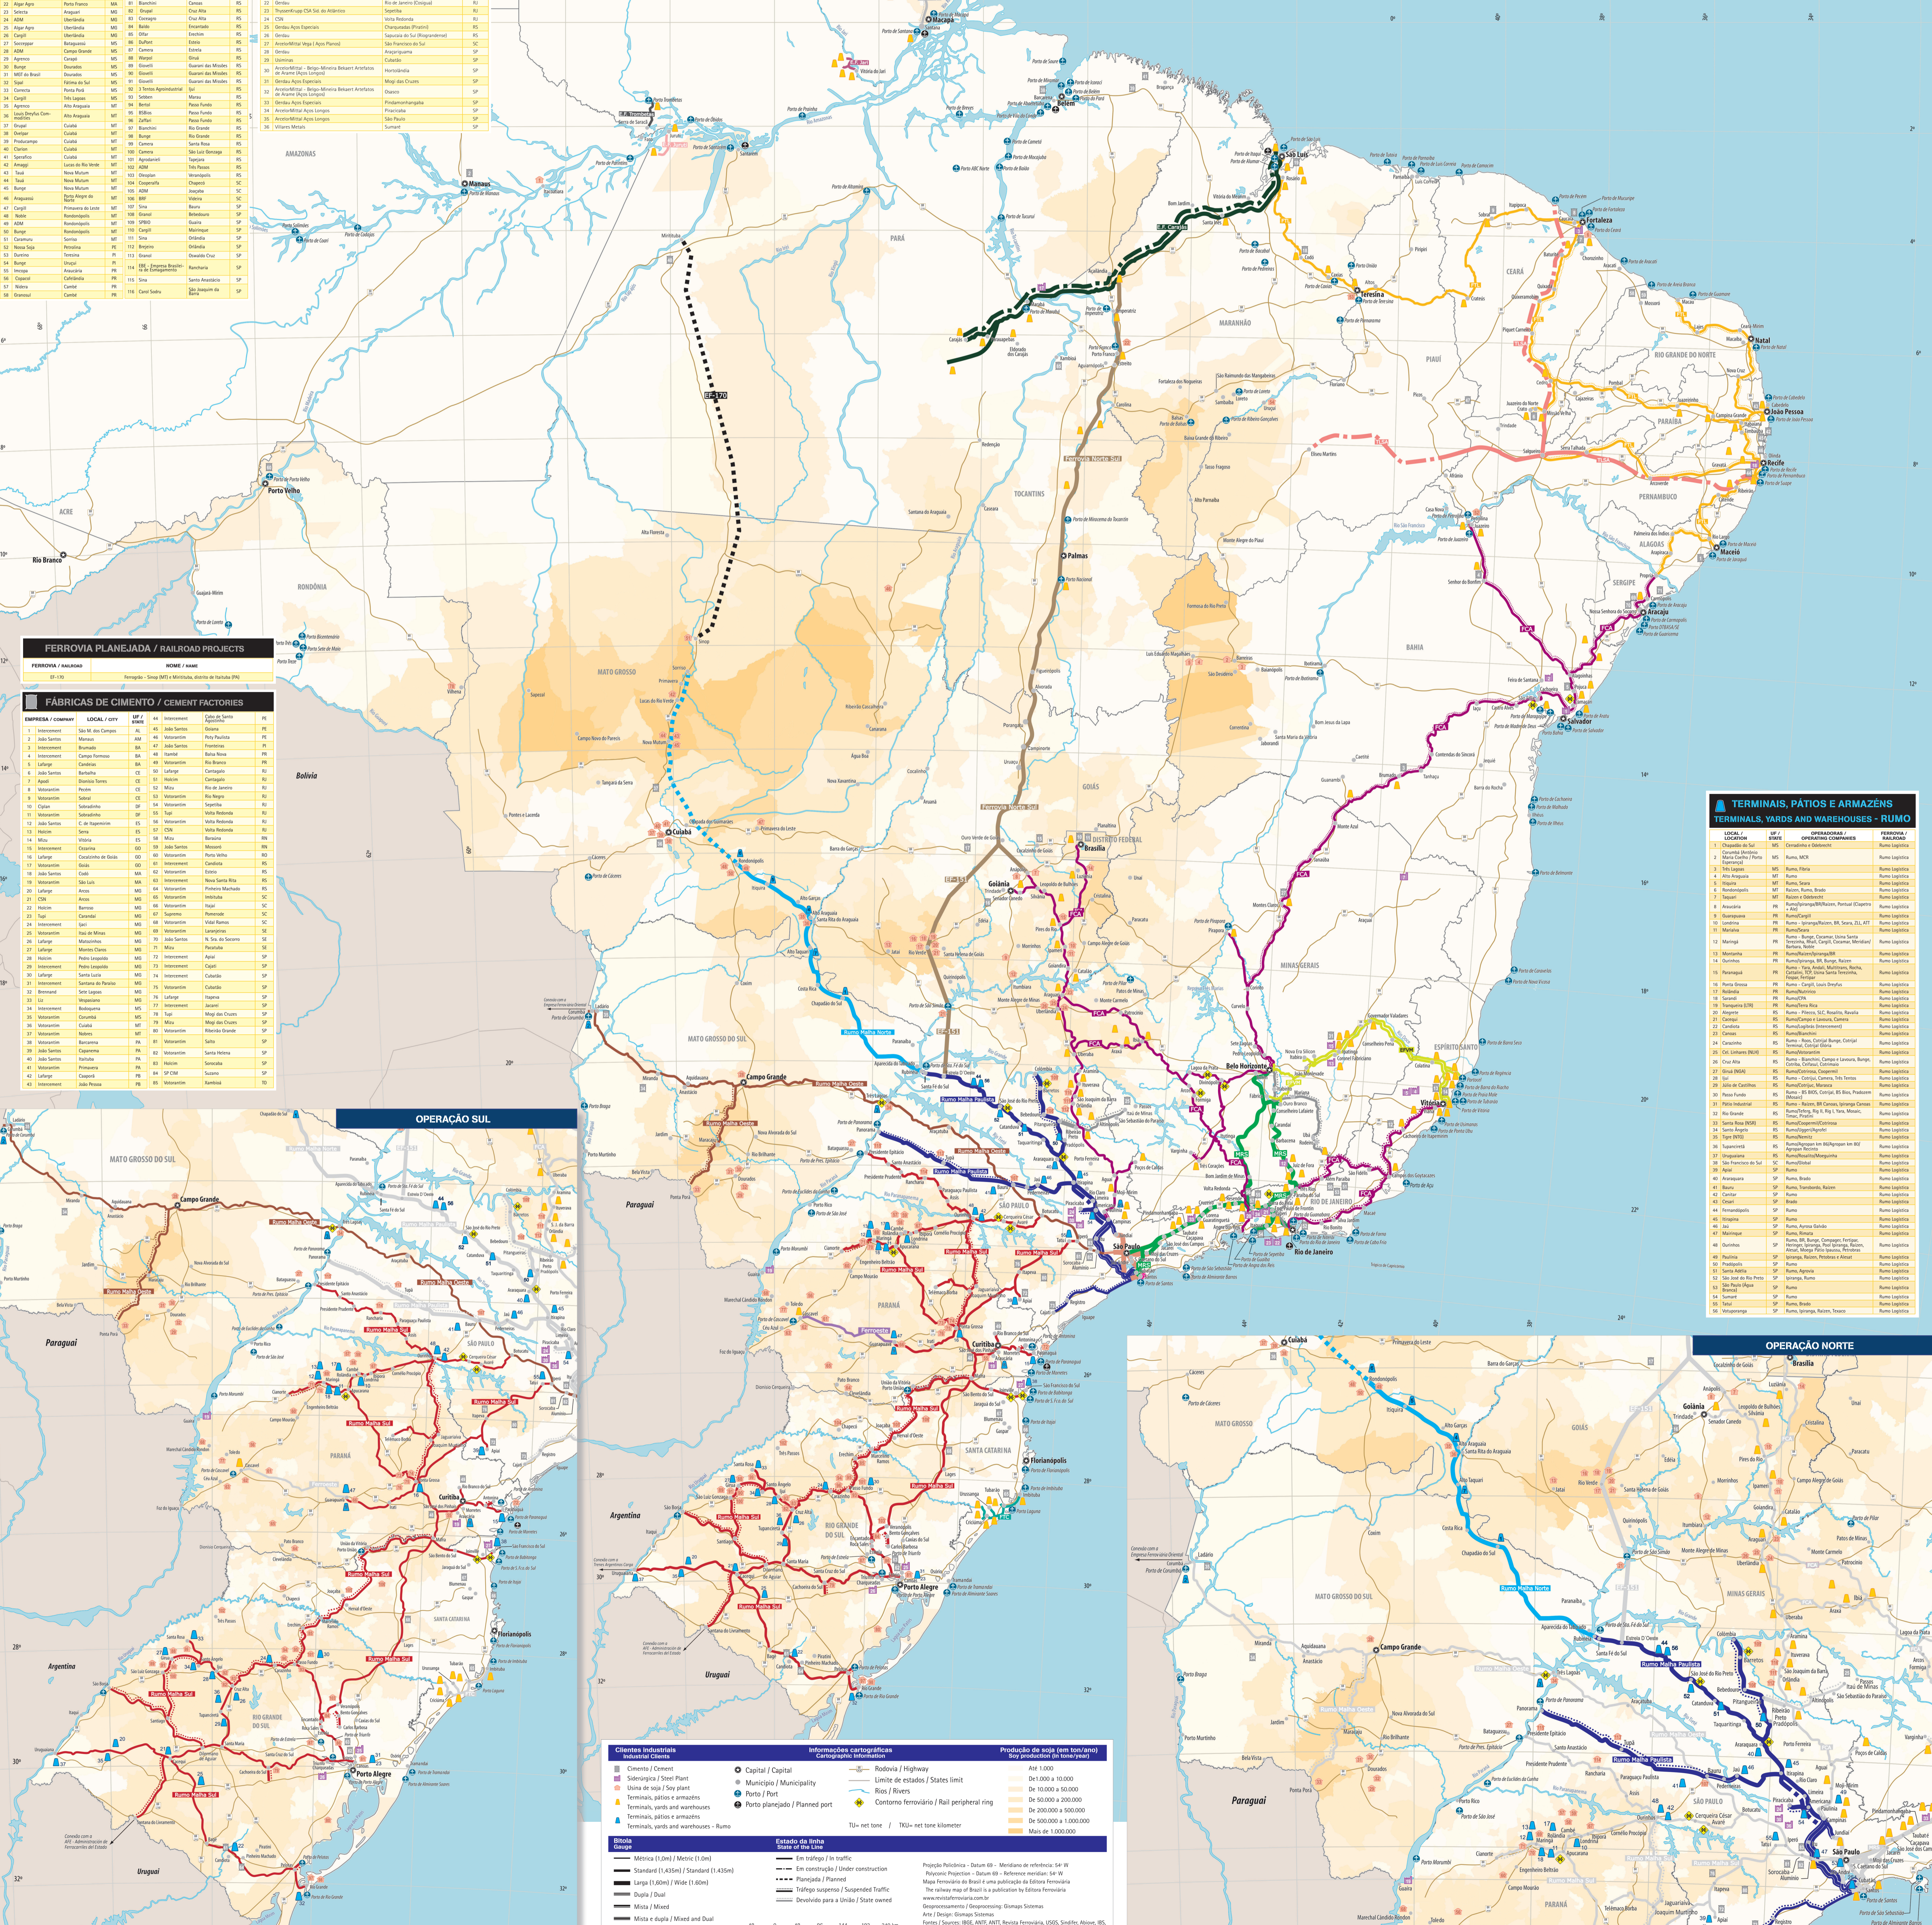

Table titled 'FABRICAS DE CIMENTO / CEMENT FACTORIES'. It lists cement production facilities across Brazil, detailing the company, location, and capacity.

Table titled 'OPERACAO SUL' and 'OPERACAO NORTE'. It provides detailed information about the southern and northern railway operations, including routes, stations, and service details.

Table titled 'TERMINAIS, PÁTIOS E ARMAZÉNS - RUMO'. It lists terminals, yards, and warehouses for the Rumo railway system, including their locations and operational status.

Legend and additional information section. It includes symbols for cities, plants, and infrastructure, as well as a scale bar and contact information for the publisher.
