

TOTVS

Welcome to
TOTVS Day 2013

The material that follows is a presentation of **general background information about TOTVS activities** as of the date of the presentation in November 2013. This information is given in summary form and does not purport to be complete. **It is not intended to be relied upon as advice to potential investors.**

This presentation may contain statements that express **management's expectations and/or forecasts about future events**. These expectations and/or forecasts involve risks and uncertainties that could cause actual results to differ materially from those projected in such forward-looking statements. Therefore, the future results of the company may differ from current expectations and **readers must not base their expectations exclusively on the information presented herein.**

No representation or warranty, express or implied, is made concerning, and no reliance should be placed on the accuracy, fairness, or completeness of the information presented herein.

This document **does not constitute an offer, or invitation, or solicitation of an offer, to subscribe for or purchase any securities**. Neither this document nor anything contained herein shall form the basis of any contract or commitment whatsoever.

- International surname - private equity fund
- Internationalization
- Proximity with competitors and market

TOTVS Evolution and Next Steps

Success is an outcome of wisdom and experiences of the past, knowledge and innovation of the present, and boldness to face the challenges of the future.

- Identification of the company's DNA
- A group based on people
- Mission / Vision / Values
- Definition of talent and necessary human capital

TOTVS Evolution and Next Steps

Success is an outcome of wisdom and experiences of the past, knowledge and innovation of the present, and boldness to face the challenges of the future.

NUMBER 1 BRAZIL

- Systems and technology by industry
- IPO project
- R\$ 1 billion project
- Market consolidation
- Customer relationship theory

TOTVS Evolution and Next Steps

Success is an outcome of wisdom and experiences of the past, knowledge and innovation of the present, and boldness to face the challenges of the future.

BE MORE ESSENTIAL

**WHY BE MORE
ESSENTIAL ?**

Being present

Expressing
yourself

Cooperating

Sharing

Global Environment

Influencing

Being perceived

Being unique

What we have to offer:

Connections

Mobility

Freedom of
expression

Simplicity

Freedom of
Choice

CHALLENGES
for individuals and companies

To be PRESENT with no boundaries
To be more ESSENTIAL

ERP

CONCEPT

The image features a large blue circle containing a white circuit diagram with various components like resistors, capacitors, and diodes. The background of the circle is filled with a repeating pattern of binary code (0s and 1s). In the top right corner, outside the circle, is a blue water drop icon. The text 'ERP CONCEPT' is centered in white.

2. Where we are going
3. What we are doing
4. Q&A
5. Cocktail Reception

More Industries in the game

In the last years **new industries have adopted integrated solutions** to achieve efficiency gains.

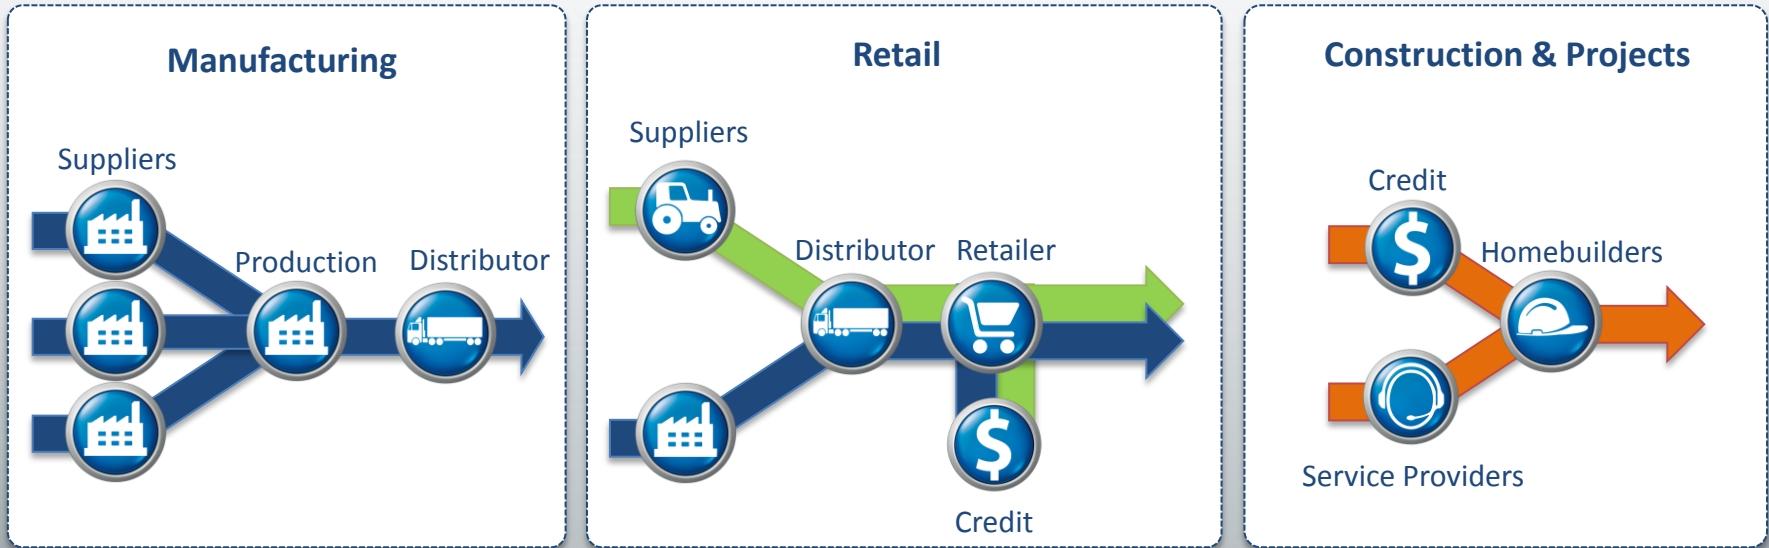

New opportunities in specialization

Both late and early adopters **see more value** in solutions **connected to their core business**. The development roadmap is aligned with client demand, with the goal of increasing the adherence.

ACCRETIVE USE OF SPECIALIZATION

The Company's strong market positioning among several market industries allows TOTVS to be the best player to **integrate value chains** with cross industry solutions, such as:

GROWTH VECTORS BY INDUSTRY

Addressing the industries specific needs. Examples:

VECTOR	OPPORTUNITY	SOLUTION
 Services Brazilian economy becoming more service-oriented	<ul style="list-style-type: none">▪ New companies providing facilities outsourcing services	<ul style="list-style-type: none">➤ TOTVS Services (specific offering for facilities)
 Credit Credit expansion	<ul style="list-style-type: none">▪ To help retailers solving their margin equation	<ul style="list-style-type: none">➤ TOTVS Credit management integrated with TOTVS Retail
 Retail Consumption expansion in C and D classes	<ul style="list-style-type: none">▪ Supermarkets in metropolitan surrounding and/or remote areas▪ Store chains focused on the countryside	<ul style="list-style-type: none">➤ TOTVS Supermarket by RMS➤ New POS boosted by e-fiscal note

EVOLUTION ON THE DISTRIBUTION SIDE

Developing new ways to evaluate the sales potential, measure channel distribution and controls allowing us to capture market opportunities.

- Geographical Intelligence and regional occupation analysis

- Industry oriented Channels and Sales goals

- Specialized performance monitoring and support system

- Leads generation and distribution with market specialization

- New CRM and internal controls and processes

Client profile:

- **Over 50-year experience** in the supply of automotive products and services
- **Accredited and authorized reseller of Pirelli**. Also reselling products from Cofap, Bosch, Fremax, Syl, Fabrini, Mangels, among others
- **Several stores in the metropolitan region of São Paulo**, with advanced technology equipment
- **TOTVS's client for over 13 years**

Caçula de Pneus

Solution Landscape:

- The entire operation is controlled by **TOTVS software** (financial, accounting, supply chain, logistics, human resources and tax routines)
- **TOTVS supported the client expansion** that more than **doubled its number of stores** as **tripling its annual revenue**
- **With TOTVS support**, a franchise model was developed in order to **expand Caçula's store network**
- This expansion is **heavily based on the usage of TOTVS solutions**, and further productivity gains are expected as more solutions are adopted

Caçula de Pneus

Client profile:

- Founded in 1971, **is one of the world's largest producers of footwear**. Has **~29,000 employees** and revenues of R\$ 2.4 Bi
- **13 footwear factories, 1 PVC Plant** with a production capacity of **240 million pairs of shoes per year**, and distribution logistics serving **more than 90 countries**
- **Own brands:** Melissa, Rider, Grendha, Ipanema, Ilhabela, Zaxy, Cartago, Pega Forte, Grendene Kids and Baby
- **Third-party brands and licenses:** Gisele Bündchen, Ivete Sangalo, Mormaí, Guga Kuerten, Hot Wheels, Barbie, Hello Kitty, Spiderman and Disney's licenses

Grendene®

Relationship with TOTVS:

- **Grendene has been using TOTVS solution since 2002**, when it first implemented the TOTVS ERP solution from Datasul (a former company brand) to support the manufacturing processes as well as back office financial, accounting, HR and tax processes
- Over the years the relationship between the companies has strengthened and Grendene has become one of **TOTVS's Large Account cases**

Grendene®

Solution Landscape:

- **All 15 production plants are integrated by TOTVS** solutions along with some satellite solutions
- **2,500 users**, 160 people on the IT team with robust and redundant datacenter and links to all plants Currently **upgrading to the latest version**, IT team rated it as low risk as TOTVS has always respected client legacy and integrations
- **Partner in the development** of Fluig Platform and Fluig Identity
